MINUTES OF THE MILWAUKEE RADIO AMATEURS CLUB
October 13, 1932

The meeting was called to order at 8:25PM by the Pres. The minutes were read and approved. Reports from some of the inactive committes.
W9DEI of Minnesota was present and spoke a few words. He also mentioned that he was attending the Marquette University.

Mr, Bingham W9AFF made application for membership into the club and was duly approved and admitted.

Mr. Meyer W9GVL on Papers and Publications described some of the latest improvements on his transmitter. Charlie has incorporated many of the implements of his home to make his station one of Milwaukees' famous. He read an article from Radio News entitled "Beginning of An Amateur". Altho it was supposed to be a humorous article it did not evict as much merriment as his description of new wrinkles in radio.

Mr, Moore read a letter from our Director Mr. Windom and the coming ARRL Director election was discussed at lenght,

Mr. Bingham reported that Mr. Schnell was ~~partly~~ Partially asphyxiated from a defective heater in a transport plane. Some of the members gave the stories of their experiences with carbon-monoxide poisoning.

Mr. Barnes read a letter from the Four Lakes Radio club which asked for information on why their club should affiliate with the ARRL. The letter was referred to the Secretary.

Some discussion was aroused on ~~electron-coupled oscillators~~ but when Mr. Crapo asked for advance dope on the subject he was told to consult QST. Looks like a lack of knowledge of the part of the other members.

Mr. Meyer told about cheap filter condensers which he made from defunct storage batteries. He found to his deep sorrow that the idea didnt and asked for the why of it. It remained for Mr. Schunck to give the desired information ~~while the others just laughed.~~

The Radio Amateurs Call Book was discussed and the acting secretary was instructed to write and find out the club rates on call books.

Mr. W. Wallace and Mr. Bingham told about their visits to out of town amateurs. They mention that most of the Waukegan hams seemed to be in the money and some very nice layouts and high powers stations are the result.

Mr. Kurth in addition to his many other jobs was appointed acting secretary in the absence of Mr. Wollaeger who is in Detroit, Mich. for two weeks.

The meeting was adjiurned at 9:25 PM.

Act. Sect.

H.H. Kurth W9FSS SCM
